for Exoneration from or Limitation of  
Liability

Docket No.

**ORDER FOR AN INTERIM  
STIPULATION FOR VALUE**

A Complaint for exoneration from or limitation of liability having been filed by ENERGETIC TANK, INC., as Owner of the M/V ALNIC MC, and said plaintiff having prayed for leave to file an Interim Stipulation for the value of its interest in said vessel and its pending freight, and it appearing from the Affidavit of Value and Pending Freight, sworn to by Thomas H. Belknap, Jr. on the 15th day of February 2018, that upon the conclusion of the voyage on which the M/V ALNIC MC was proceeding at the time of the events referred to in the Complaint, its value and the value of its pending freight did not exceed \$16,768,480.

NOW, on motion of Blank Rome LLP, attorneys for plaintiff, it is

ORDERED that the plaintiff files herein an Interim Stipulation by the United Kingdom Mutual Steam Ship Assurance Association (Europe) Limited for value in the sum of \$16,768,480, the said sum being not less than the provisional appraisal of the value of plaintiff's interest in said vessel and its pending freight, and it is further

ORDERED that any claimant in these proceedings may, at any time, signify by written notice, filed with the Court and served upon other parties of record, its dissatisfaction with the United Kingdom Mutual Steam Ship Assurance Association (Europe) Limited as surety herein. In the event of such notice, plaintiff shall within ten (10) business days of the receipt thereof cause security to be posted in the form provided by Local Civil Rule 54.2 of this Court, failing which the injunction entered concurrently herewith will be vacated as to all claimants, and the Court will make such further orders as the justice of the cause may require; and it is further

ORDERED that the Court, upon motion by any party, shall cause due appraisalment of the value of plaintiff's interest in said vessel and its pending freight at the conclusion of the voyage and may thereupon order said security increased or reduced if it finds the amount thereof insufficient or excessive; and, upon motion, the Court may similarly order such increase or reduction if it finds that such an order is necessary to carry out the provisions of 46 U.S.C. §§ 30501 *et seq.*, as amended, in respect of loss of life or bodily injury.
